5 INSURANCE

5.1 INSURANCE COVERAGE FOR THE ORGANISER

5.1.1 Organiser`s liability insurance

The Organiser has concluded an insurance contract with ERGO AAS, contract No. 610038316 with Organiser`s liability insurance covering damage caused to a third party during the event up to 5 000 000 EUR. The insurance period is from 11 October until 24:00, 14 October 2018.

5.1.2 Damage caused to third party

A part of the insurance contract No. 610038316 concluded with ERGO AAS is coverage for damages caused to a third party. However, damages caused by drivers among themselves are not covered by this contract.

5.1.3 Car third party liability insurance

All crews at Administrative Check have to hand in a valid motor third party liability insurance policy International Green Card for their car. Without this card, the crew won't be permitted to start.

5.2 COMPETITORS' INSURANCE AND DECLARATION

Competitors and drivers must have valid insurance as is required by the Traffic Act, covering them against liability for both personal injury to, and damage to the property of, third parties on public parts of the event. It is Competitors's responsibility to arrange such insurance and/or to extend existing insurance so as to comply with the requirements of the Traffic Act. Competitors and drivers will be required to sign and declare that they are covered by such insurance. Any failure to sign a declaration may mean that competitor in question not be permitted to start.

The organizers also decline any liability for breach of the laws and regulations of Latvia as covered by the itinerary. Competitors shall be held responsible for any accident or breach of laws in which they may be involved and shall declare to the promoters particulars of any incident from which liability may arise and shall have no claim against the Organizers arising out of the Organisers, servants or officials during the course of the Rally.

Competitors and drivers will be required to sign the following declaration:

"I declare that:

1. I have been given the opportunity to read the codes and regulations of this round of the Rally Liepāja 2018 held under the International and national Sporting Code, The Sporting and Technical Regulations of the FIA, Regional Rally Sporting Regulations and the Supplementary Regulations for this round of the FIA European Rally Championship (the "Event") and agree to be bound by them. I declare that I am physically and mentally fit to take part in the Event and I am competent to do so. I acknowledge that I understand the nature and type of the Event and the potential risk inherent with motor sport and agree to accept that risk.
2. To the best of my belief the driver(s) possess(es) the standard of competence necessary for an event of the type to which this entry relates and that the vehicle entered is suitable and roadworthy for the Event having regard to the course and the speeds which will be reached.
3. The use of the vehicle hereby entered is covered by insurance as required by the law which is valid for such part of this event as shall take place on roads as defined by the law.

4. I understand that should I at the time of this Event be suffering from any disability whether permanent or temporary which is likely to affect prejudicially my normal control of the vehicle, I may not take part unless I have declared such disability to the FIA or LAF which has, following such declaration, issued a licence which permits me to do so.

5. Any application form for a Licence which was signed by a person under the age of 18 years was countersigned by that person's parent/legal guardian/guarantor, whose full names and addresses have been given.

6. I understand that motorsport is dangerous and accidents causing death, injury disability and property damage can and do happen. I understand that these risks may give rise to my suffering personal injury or other loss and I acknowledge and accept these risks. In case of an accident resulting in hospitalisation, I agree that the hospital may provide information about my medical condition to the Organisers.

7. In consideration of the acceptance of this entry I agree that neither any one of or any combination of the FIA, the LAF, the Organizers or the track owners or other occupiers, the promoters and their respective officers, servants, representatives and agents (the "Parties") shall have any liability for loss or damage which may be sustained or incurred by me as a result of participation in the Event including but not limited to damage to property, economic loss, consequential loss or financial loss howsoever caused. Nothing in this clause is intended to or shall be deemed to exclude or limit liability for death or personal injury.

8. To the fullest extent permitted by law I agree to indemnify and hold harmless each of the Parties in respect of any loss or damage whatsoever and howsoever arising from my participation in the Event.

9. I hold a full, valid, current driving licence.

10. I hereby certify that I will follow the LAF athlete's ethical principles, will honour the work of organizers and respect the generally accepted norms of society. I will not publish or copy any documents or audio visual materials unrelated for third parties, which may contain information restricted or necessary for investigation.

11. By the fact of signing the entry form, the competitors and/or drivers relinquish any claims to compensations of any kind which might result due to incidents. The relinquishment is applied to FIA, ASN, and the Organiser, officials and other competitors and/or drivers.

All the drivers and co-drivers are obliged to arrange their own life accident insurance. The proof should be documented on request at administrative check.

Non-EU citizens are required to own travel insurance policies covered for active leisure risks.

5.3 DAMAGE REPORTING

The crews are obliged to notify the Organiser about any damage caused on the track by their car by the end of event the latest. Violation of this duty stands for summoning the competitor and involved crew to a disciplinary committee.

5.4 INSURANCE COVERAGE EXCLUSIONS

VIP, QUEST and Auxiliary vehicles, cars dedicated to reconnaissance rides and vehicles with special labels issued by the Organiser are not covered by the provided rally insurance (with the exception of insured Organiser's cars) and those are always going on their own responsibility. The Organiser declines any responsibility about consequences raised from dishonest actions of the competitor in relation with rally regulations and supplementary

regulations, or the State's laws. In case of a road traffic accident neither a service car, or a reconnaissance car and an official's car with rally's markings are considered as crews of the competition. In these cases, only a car owner third-person's liability insurance policies are valid.

6 ADVERTISING AND IDENTIFICATION

6.1 ADVERTISING

Placement of advertisings proposed by the Organiser is given in Appendix 4 of these Supplementary Regulations. Starting numbers, the rally plate and the Organiser's advertising should be affixed on given spots on rally car according to the Appendix 4 before pre-start scrutineering.

6.2 LOSS OR REMOVAL OF ADVERTISING

A crew will be penalized with prohibition to start in the rally if article 6.1 of these Supplementary Regulations will have been violated. If there is ascertained at any point during the rally that an advertising plate (or any other type of advertisement) supplied by the Organiser is missing from a car then the crew shall be penalised with a fine of 500 EUR for each missing advertisement or if the advertisement is modified or not placed according to the Appendix 4 SR. A participant is allowed to place any advertising in accordance with the regulations.

The participant's identification on the car must be placed according to regulations.

6.3 COMPETITION NUMBERS AND RALLY PLATES

Competition numbers and rally plates according to the Article 19 of FIA RRSR supplied by the Organiser must appear on both front doors of the car during the whole rally. If it is ascertained at any time during the rally that:

- a competition number or one rally plate is missing, this will be penalised by 100 EUR;
- both competition numbers or both rally plates are missing, this will be reported to the Stewards.

7 TYRES

7.1 TYRES SPECIFIED FOR RECCE:

All cars must have tyres in conformity with Latvian Road traffic regulations with DOT E mark on it.

7.2 TYRE SERVICE

Full information on tyre service will be announced in Rally Guide 2.

8 FUEL

8.1 FUEL RESTRICTIONS

It is mandatory for participants to use Fuel in accordance with LAF Technical Regulations.

8.2 REFUELLING

For safety and environmental reasons, refuelling will be carried out just behind the TC of Service Parks exit and in the special remote refuelling zones. Competitors may only refuel in the refuelling zones or remote refuelling zones designated by the Organiser in the Road Book.

8.3 REFUELLING PROCEDURE

During refuelling liquid proof mat has to be used. Only crew members and support personnel are responsible for compliance with fire safety regulations during the refuelling. Only team members with the team passes will be allowed to go in to the refuel area.

9 RECONNAISSANCE

9.1 RECONNAISSANCE REGISTRATION

Registration of the recce-car is obligatory before the start of reconnaissance. Registration will take place at the Rally HQ according to the programme. The reconnaissance cars must comply with Art. 25.1. of FIA RRSR has to be registered in the Rally HQ with the official plate. The crew receives identification for his car (starting number) and a reconnaissance time card. Starting number must be affixed on the both sides of rear side windows during reconnaissance at all the times. A reconnaissance time card must be given back at the Rally HQ to the secretary of the rally. If the crew during the reconnaissance, for any reason is forced to replace the reconnaissance car, the secretariat must be informed about the details of the new reconnaissance car.

9.1.1 Rally-Safety-Tracking-System

The Organiser will provide a rally-safety-tracking-system, which has to be used also during reconnaissance in the reconnaissance car. If the rally-safety-tracking-system will not be used, it is a breach of the reconnaissance regulations. The progress of the reconnaissance will be monitored via GPS system, by the Latvian Police together with other rally officials. Maximum speed limit will be provided in the rally Road book. Evaluation of the GPS data is within the competence of Clerk of the Course. If it will be observed that the reconnaissance vehicle is not equipped with working tracking system, the crew will be penalized according to Stewards decision.

9.1.2 Safety deposit

Each crew must pay deposit of 200 EUR upon receipt of GPS safety equipment. Deposit will be refunded after proper return of the safety equipment.

9.2 RECONNAISSANCE TIME SCHEDULE

Reconnaissance Time Schedule is given in Appendix 2.

9.3 RECONNAISSANCE RULES

The crews are obliged to follow all reconnaissance rules specified in the FIA Regional regulations and these Supplementary Regulations.

9.3.1 Reconnaissance

Reconnaissance will be organized in compliance with rally general prescriptions of LAF.

9.3.2 Speed limit

All reconnaissance of the special stages has to be done in accordance with Latvian traffic rules. The maximum speed set for the reconnaissance of the SS is 80 km/h, except for those areas in which there are speed limit signs or in built-up areas (50 km/h or 30 km/h) or other limitations marked in the road book. Breaking the rules and mainly exceeding the speed limits on public roads will be also controlled and fined by the Latvian Police accordingly to traffic laws of Latvia.

9.3.3 Direction

Each crew may drive the special stages only in the direction of the rally. The crews must always enter and leave the special stages through the start and stop controls.

9.3.4 Restriction of reconnaissance

Any driver, or co-driver, who has entered or intends to enter the rally and who wishes to drive 2 month ahead the rally on any road which is or might be used as a special stage in that rally, may only do so after he has obtained the Organiser's written permission. Failure to respect this rule shall result in the driver being reported to the Stewards.

9.3.5 Number of persons on board

All competitors must make provision in their cars for the installation of the Safety Tracking System. All further details will be given during presentation to each crew and in Appendix 5 SR. **The system must be installed by the crews and must be shown to the officials before start of the rally legs.** Checks will be carried in the service park on 12.10.2018 from 18:00-18:30 and 14.10.2018 06:00-07:30. Competition cars not equipped with the GPS monitoring device will not be allowed to start. Any attempt to tamper with, to manipulate or to interfere with the tracking device fitted to the competition car or any device that fails to record a trace due to external interference will be reported to the Stewards who may impose a penalty up to exclusion. GPS units and brackets will be disassembled from the rally cars by the crew after the finish time control (TC12D). In case of retirement the GPS will be given to the provider GPS unit's team by 19:00 on 14.10.2018.

11.4.1 Principles on Security and Tracking

Security and tracking devices are connected to a monitoring centre that stores all data received. All data is stored on the same device. The device has a self-contained power supply that operates throughout the rally.

The device has "SOS" and "OK" buttons.

Each device has a unique serial number that is assigned to each crew. During the event the Rally HQ will monitor the position and speed dating of each crew.

11.4.2 "SOS" and "OK" signalling principles

By pressing a "SOS" button a crew reports an accident and requests an immediate assistance. In this case, it is obliged to inform the Rally HQ, call the telephone number indicated on the label.

In case of an accident or technical problems during SS, by pressing an "OK" button a crew informs of the stop for more than 30 seconds and that immediate assistance is not required (even if a crew is trying to continue the rally).

Attention! In case of stopping at SS, the device sends a "SOS" signal and the crew within 30 seconds must press "OK" button to remove the "SOS" signal sent by the system. A mobile phone of the crew must be switched on (or turned on in 60 seconds) so the rally security and monitoring centre can reach the crew.

Wrong use of "SOS" and "OK" signal transmission will be reported to the stewards.

11.5 MUD FLAPS

Transversal mud flaps are mandatory and must comply with Appendix J Article 252.7.7.

11.6 WINDOWS

The use of silvered or tinted films is authorized on rear side windows and rear window only. Front side window films must be transparent and clear (in accordance with Appendix J Article 253.11).

11.7 SAFETY EQUIPMENT OF CREWS

Competitors' helmets (which must comply with the requirements of FIA Appendix L), FHR devices (which must be an FIA approved model as detailed in Technical List No.29 of Appendix J) and flame resistant clothing (homologated to the FIA 8856-2000 standard) will be checked at scrutineering. It is permitted that drivers and co-drivers may wear shoes which do not comply with the FIA 8856-2000 Standard. Drivers wearing shoes not complying with the standard may wear shoes adapted to the conditions.

Drivers and co-drivers who wear full-face helmets must be able to pass the following test to ensure that appropriate access to the airway of an injured driver is possible:

- the driver is to be seated in his car, with helmet and FIA-approved head restraint in place and attached and safety harness buckled.
- with the help of two rescuers, the chief medical officer of the competition (or, if present, the FIA medical delegate), must be able to remove the helmet with the driver's head maintained permanently in a neutral position.

If this is impossible, the driver will be required to wear an open-face helmet.

11.8 NATIONAL REGULATIONS

Competing cars must be equipped with first aid kit and two reflective triangles.

11.8.1 Outside noise level of cars

The maximum noise level permitted is 103 dBA. Cars not complying with this rule will not be allowed to start. The noise will be measured with a sonometer regulated at "A" and "SLOW", placed at an angle of 45 degrees to and a distance of 50 cm from the exhaust outlet, with the cars engine running at 3 500 rpm.

11.8.2 Car lighting

On road sections (between each special stages), it is possible to use car lighting only through the original fitted and auxiliary headlamps with EHK (“E”) homologation. Headlamps without homologation cannot be used during road sections. Complying with this provision will be checked by judges of fact. Any infringement will be reported to the Stewards.
